

Tribal Projects Meeting & Showcase Event

The Tribal Community Coordinating Center, in partnership with the California Tobacco Control Program, is hosting a virtual three-day Tribal Projects Meeting and Showcase Event.

 **September 27–29 2022**

 **10:00am-3:00pm**

DAY 1

Tuesday | September 27

CTCP presents training and capacity-building with Tribal grantees.

Who should attend

Tribal grantees and individuals actively working with Tribal communities on commercial tobacco control initiatives.

DAY 2

Wednesday | September 28

California Tribal organizations present achievements, challenges, and preferred strategies developed working in the field.

Who should attend

Open to the extended community. Anyone interested in learning and engaging is encouraged to attend.

DAY 3

Thursday | September 29

TCCC presents skill-building and networking activities for Tribal grantees.

Who should attend

This is a closed session provided for Tribal tobacco control staff and their invited guests. A separate link will be provided following registration.
